

SS-4290: Computer Science Final Year Project Weekly Report

Week 3 (Due 25th August 2021)

Muhammad Syauqi Waiz bin Haji Sufri

17B9082

Objectives:

1. Read Research Paper ☒
2. Prepare for presentation ☒

1. Read Research Paper

Read the research paper fully and began to understand the objectives and goals of the research.

Also, use website and YouTube videos on episodic memory and relevant topics i.e. EMN to further enhance my understanding.

2. Prepare for presentation

Preparation for presentation are also done this week to be presented to supervisor.
