SS-4290: Computer Science Final Year Project Weekly Report

Week 2 (Due 18th August 2021)

Muhammad Syauqi Waiz bin Haji Sufri

17B9082

Objectives:

1. Read Research Paper and prepare for presentation next week ☒

1. Read Research Paper

   Continued reading Memo Banino research paper, focusing primarily on abstract, introduction and methodology and findings. Some of the terms are quite difficult to understand, hence, simultaneously used Google to look up for the definition.

   Also, continue researching on episodic memory by watching YouTube videos and through relevant websites.

   Finally, prepare presentation on understanding the research paper.
